| Total Credits | | | | | | | | | 22 | | | | | 550 |

4/1

Semester-IV (Credits=22)

DISSERTATION:

Credits: 20

Note: The students are required to take up a study in an aspect of neuroscience. A dissertation/ report has to be submitted at the time of examination. The work may be initiated at any point of time depending upon the capability of a student from earlier semesters as well. This is to provide a student real exposure to planning, execution and reporting of a research proposal.
