The Haryana Government has designated various officials as link officers for smooth functioning of the National Health Mission (NHM).

A letter has been issued in this regard by Chief Secretary Sargeev Kaushal. Kaushal said the first link officer to the Managing Director of the National Health Mission would be the Director-General Health Services (head of the department) and the Director-General, Health Services (Programme), the second link officer. The Chief Secretary said to ensure the smooth functioning of the departments, boards, and corporations, if the officers concerned were out for more than two days due to leave, training, tour, being on election duty or transfer, vacancy due to retirement or any other reason, the work would be looked after by the link officers in their absence. Every officer shall inform the link officer before going on leave, training, tour or election duty, he said. — TNS

TRIBUNE NEWS SERVICE

REWARI, FEBRUARY 6

Congress MLA from Rewari, Churangeev Rao, today launched Hath se Hath Jodo campaign by meeting traders in the city. Speaking on the occasion, he said the campaign was aimed at spreading the message of Mahatma among the masses.

"Under the campaign, the Congress workers will contact people by reaching their houses in rural and urban areas to listen to their grievances. Thereafter, they will make sincere efforts to get their grievances redressed as the state government has utterly failed to resolve the

public issues," said Rao while talking to the traders.

He maintained that the BJP-JJP coalition government had worked to break the backbone of people by not taking any step to curb inflation. Educated youths were feeling cheated as the government was not providing them jobs. Farmers and other sections of society had also reached the verge of devastation due to erroneous policies of the state government, he added.

"All these issues would be raised prominently in the coming session of the Haryana Vidhan Sabha to corner the state government," Rao added.

idea experts, who are chief inspector, all the education officers and police personnel had embarked upon the process of inspecting the buses ferrying the students by visiting the schools.

The undertakings to effect these changes were taken in a public interest, alleging among other things the occurrence of two "unfortunate incidents" resulting in the death of school-going children following certain lapses in the policy's implementation.

As the matter came up for resumed hearing, the Bar was also invited to address concerns were continuously monitoring the issue. The buses found defaulting or violating the provisions of the Motor Vehicles Act and the school vehicle policy during the inspections.

## Vehicles vandalised as parking issue turns ugly

KARNAL, FEBRUARY 6

Tense situation prevailed at Gharaunda Valmiki Basti after some people allegedly asked some guests, who had come to a pre-wedding programme of a girl of the Dalit community, to remove their vehicles from the road late on Sunday night.

Miscreants allegedly pelted stones at vehicles and community members, resulting in injuries to three persons. They allegedly smashed the window panes

The family members demanded security for the marriage, which was to be solemnised on Monday. The Gharaunda police provided security and the marriage was solemnised under police security.

"The situation is under control. We have registered a case under Sections 323, 506 of the IPC and various Sections of the SC/ST Act against 10-12 persons. We are making efforts to arrest the accused. We deployed a PCR and a rider for security during the marriage," said Deepak Kumar SHO, Gharaunda.—TNS

TRIBUNE NEWS SERVICE

KARNAL, FEBRUARY 6

To address the problem of the non-availability of quality gypsum, scientists of the ICAR-Central Soil Salinity Research Institute (CSSRI) have developed alternatives to the mineral.

They have developed three categories of sulphur-based formulations, which are suitable for different soil sodicity and the presence of a high proportion of sodium ions.

As per scientists, at present gypsum is supplied in Haryana and Punjab by Rajasthan, which is not meeting the minimum standard of 70 per cent purity set by the Bureau of Indian Standards (BIS).

"The lower availability of quality gypsum for sodic soil (popularly known as arsalikar soils) reclamation is a major challenge in productive utilisation of such lands. These alternatives developed by our scientists will reduce the dependency on the mining material," said Dr PC Sharma, Director, ICAR-CSSRI.

"Our scientists — Dr Arvind Kumar Rai, Dr Narulendu Basak, Dr Parul
