

GURUGRAM UNIVERSITY

(A State Govt. University Established under Haryana Act 17 of 2017)

Off-site Campus for Embryology Courses

SCHOOL OF EMBRYOLOGY & ASSISTED REPRODUCTIVE TECHNOLOGY (SEART)

Gurugram University is planning to be one of the most prestigious universities in Haryana and is likely to be a microcosm of the Indian Nation, drawing students from every nook and corner of the country and from every group and stratum of society. Many new courses programmes have been started in the departments of Engineering, Journalism, and Management.

As we all know, Gurugram city has become a leading hub for the medical industry. To offer the best opportunities in the field of Embryology and Assisted Reproductive Technology, our university has started an off-site campus named the 'School of Embryology and Assisted Reproductive Technology (SEART).' This will definitely help to foster a growing environment in the medical industry and encourage research among students. The following courses have been started:

- MSc in Clinical Embryology
- BSc + MSc in Clinical Embryology (Integrated)
- PG Diploma in Clinical Embryology
- Fellowship in Clinical ART

For admission call us at

Ph : 9870109545, 9773587545, 9711427545
